

# Nuclear Executive Leadership Training Refresher

Dr. Pat Worthington

# Opening Remarks

- On behalf of the HS and the NTC, welcome to the first NELT Refresher Training.
- As you are aware, attendance at the 40-hour NELT program is a condition for delegation of Safety Authority based on the Deputy Secretary of Energy's Memo Delegation of Safety Authorities, dated December 27, 2005.
- Delivery of this refresher course is based on a commitment in the response to DNFSB Recommendation 2004-1 to provide NELT Refresher Training every two years as part of the Technical Professional Career Development Program.
- You have been selected by your management based on your continuing need for Delegation of Safety Authority, and based on your previous attendance at the 40-hour NELT.

# Opening Remarks (Cont.)

- The topics in this course and the schedule are provided in your course materials. These topics were selected by the NELT Executive Steering Committee, comprised of:
  - Dr. Chuan Wu of EM
  - Mr. Frank Russo of NNSA
  - Ms. Beth Sellers of NE
  - Ms. Carol Sohn, SC
  - Mr. Jim Szenasi, HS-NTC
  - Ms. Jeannie Lozoya, HS-NTC
- We will follow the same general format as the 40-hour NELT. Mr. John Bresland, Chair of the Chemical Safety Board, will be our luncheon speaker today.
- The NTC would appreciate your feedback in the form of course critiques, which you will be provided.
- Questions?
